Dear Jaber M. Audi:

Congratulations on becoming a California Certified Massage Therapist. You have taken an important step in being recognized as a leading professional in the healing arts. CAMTC certification gives you the freedom to practice in multiple cities without the burden of multiple permits.

Below you will find your official ID card that identifies you as a CAMTC Certificate holder. Please keep this with you any time you are at work. If you move to another city or your card is lost/stolen or if your name changes, you will need to pay \$15 to replace the ID card. (You may also order a replacement certificate for an additional fee of \$15.) Replacement ID and/or certificate may be ordered and paid for at: <http://www.camtc.org/FormDownload.aspx>. Please note: if you are requesting a replacement card/certificate because of a new name, you will need to send copies of the legal documentation (i.e. marriage license or divorce decree) to CAMTC in addition to completing the order form and paying online. You must send this material to the address listed at the top of this letter.

Thank you for choosing statewide certification. We look forward to assisting you with any future needs.

Sincerely,

Ahmos Netanel
